

How to add your stud dog

If you have already registered and would now like to list your stud dog within the directory then please follow these few simple instructions.

- Click the link under the menu "Information" on the left hand side or click the link below. [View Stud Dog Register](#)
- Navigate to the correct breed category in which your dog belongs
- Click the text link on the right "Add your listing here"
- Complete the form
- Add a couple of photos of your dog
- Click submit
- Your dog is now listed within the directory for everyone to see.

Please note: Images should be no more than 800px in width and should be no less than 400px in width.

If you do not have an image editor then you can download one for free [here](#) to resize your photos
